21 000 € excl VAT / semaine

Other informations

The Princess 60 SHARD is an exhilarating and agile craft whose sleek, low profile belies her vast interior volume.

Rent a Yacht Princess

With three large en-suite cabins and an open sociable main deck layout, she offers an abundance of space in which to relax, entertain and enjoy the ride.

The beautifully styled main saloon provides an extraordinarily bright and airy haven, thanks to the large wrap-around windows which allow the light to flood in. The sociable, open-plan layout features a U-shaped sofa and coffee table, with a settee opposite, and a separate raised dining area.

On the same deck, the well equipped galley, complete with full height fridge/freezer and dishwasher, can be separated from the saloon by a sliding glass screen.

The expansive cockpit features a U-shaped seating area with teak dining table which can be extended for large gatherings. To ensure guest privacy is maintained, access to the optional crew cabin is via a dedicated door on the transom.

For panoramic views of the anchorage, guests can also relax on the spacious flybridge where generous seating complements a second external dining table.

There are two sunbeds for basking in great weather, and a large bathing platform which can be hydraulically lowered for easy launch and recovery of a tender or jet ski.

Below deck are three luxuriously detailed cabins; a full beam owner's stateroom amidships, a large double guest cabin forward and a twin guest cabin to starboard which can be easily converted to a third double.

All three cabins are beautifully appointed and enjoy en-suite facilities. The optional aft cabin, also en-suite, incorporates two bunks for crew or occasional guests.

A supremely capable craft, the new 60 will combine exceptional seakeeping and long-range cruising capabilities, with the space to entertain family and friends in class-leading style.
